

Terms & Conditions - Connect Arnhem

The following criteria have been drawn up in collaboration with the Municipality of Arnhem.

- Applications for initiatives can come from residents and newcomers (refugees, asylum seekers and status holders) as well as organizations;
- Applications can be submitted both online and offline;
- Each applicant will be notified within two working days that the application has been received. The application will be processed within two weeks;
- The application is always critically examined by a committee of at least one employee of Rozet and a refugee/status holder/integrated experience expert. They will contact the applicant within two weeks and discuss the idea, asking additional questions if necessary.
- If the application comes from an organization, the project leader is also involved in the assessment.
- The following rules apply to the application:
 - Your idea meets and connects Arnhem residents and newcomers. And in this way, contributes to direct connection between people.
 - The activity is for a minimum of 4 people.
 - Afterwards you share a photo and a short story. People don't have to be in the picture recognizable. We will share these on the website to inspire other people.
 - The money will be transferred to your account after approval from the committee.
 - The requested amount may not exceed 1000 euros per individual and 5000 euros per organization. The activities must be for the target groups indicated.
 - In the description of the plan, it should be clear how you are going to bring the different groups together and when and where you are going to do that.

- If the applicant is a refugee without a bank account, Rozet will contact the relevant COA location. The money can be transferred to the money card;
- An application cannot be made anonymously. Name and address and contact details, including an e-mail address, are required;
- All initiatives provide a story and photo, which are collected publicly on 1 platform. This is also the final justification of the money;
- An applicant can only claim a contribution once a year;
- Organizations can only submit an application if they have not yet received a grant for the same purpose as Connect;
- We allow one application per project.
